Take a break and color!

*We are all familiar with the saying, "It takes a village." Well, it really does take our church village to make Advent through Christmas Eve a meaningful experience. Many thanks to all who helped in these special events, beginning with the decorating of the church building to enhance the beauty we see every time we enter, and then to the Advent readers and candle lighters who assisted in each service. The Wee People were arranged on their journey by Teri Dodson and as always were a wonderful addition to our own journey through the season.*

*Through our audio and streaming guru, Charley Dodson, we and those who could not be with us were able to experience our services. A huge shoutout goes to the Worship Committee for their assistance; to Ellen Light and Becky Allen for purchase, care, and placement of the poinsettias; to Erlene Branch for getting Advent readers; to Betse Feuchtenberger for her help with Communion clean-up; and to Becky Allen, polisher extraordinaire of the candelabra, the Advent wreath and the handbells.*

*It certainly wouldn't be Christmas without music, and we are so thankful for Harold Brown! Thanks to him and Becky Allen for the careful, thoughtful, and meaningful planning of the Nine Lessons and Carols of Christmas Eve. Many positive comments were received from those who attended. A big thank you to the choir and bell ringers also. Thanks to the scripture readers who provided the message of the Bible's Holy Word on Christmas Eve. John Feuchtenberger was the Christmas Eve Communion celebrant and he did a wonderful Communion Service. Many thanks to him for his willingness to serve in the pulpit, too. I also want to thank Fred Dodson and David Dodson for all they do each week.*

*Finally to our church family, thank you for your attendance and support during this Christmas Season. I hope you received many blessings and that God continues to bless you and our congregation. We have much for which to be thankful in the coming new year.*
