God's Children, historically and intentionally diverse, daily sent on Christ's mission of love and grace

A Moment for Reflection

Greetings Church Family & Friends,

Easter is almost here and according to the calendar Spring is already here even though the weather some days does not indicate that at all! Easter and Spring are what I believe living is all about. Spring brings us our budding and blooming flowers and trees; waking up after a dark cold winter's sleep. Easter reminds us that we too can "wake up" and have a new life in Christ who gave his life for our sins. He then rose from the grave to live an everlasting life with God. And through this, Jesus made it possible for us to live an eternal life with God also.

As I reflect on these things there are a couple of quotes I read recently that come to mind:

"The very first Easter taught us this: that life never ends and love never dies." —Kate McGahan

"Do not abandon yourselves to despair. We are the Easter people and hallelujah is our song."—Pope John Paul II

And I believe that Easter also reminds us of one of my favorite Bible verses: "Now faith is being sure of what we hope for and certain of what we do not see." Hebrews 11:1

May the hope and peace of Christ be with you during this Easter Season and always.

*Blessings,
Stephanie*
