SESSION STREAM

The Session met on Tuesday, March 21st at 6:30pm.

I have scheduled the review of the Session records book for review on May 11th. This review is a yearly requirement of presbytery and there is a checklist of all items that must be included in the session book and a format which must be followed. I will be getting another ruling elder to review the book with me in the next few weeks to make sure everything is in order before our review date.

From the Finance committee—We have been having some issues with our QuickBooks module which enables us to do direct deposit for church employees. Melinda was elected as Administrator of our QuickBooks at this meeting so that issue is in capable hands!

From the Property committee—Fred said second shower on the 3rd floor has now been tiled and grouted. All the monies expected for our third floor renovation have been received and there is enough left over to take care of some lighting issues. After some cosmetic painting that project will be completed! In the Recovery Program area, refinishing the old gym floor is in the works, and under the supervision of Jim Harvey will hopefully be completed soon! The recovery group members have worked hard on this and deserve much credit! The dishwasher in the fellowship hall kitchen has been repaired so we will do a trial run before our Maundy Thursday dinner.

Sharon, reporting for Missions, is working with Christ Episcopal and the Lutheran church on reinstituting the community picnic. More to follow on that as it develops.

Daveen reports for Worship that a special service for Palm Sunday is planned along with our Maundy Thursday meal and service, and communion on Easter Sunday.

Betse informed us that the PNC has submitted the revised MIF to presbytery and they await a response to see if further changes are required.

Joyce reported that Congregational Care has been busy sending cards and gift cards and visiting our folks who are having troubles.

Becky, Joyce and Melinda will be working on updating our Church Rolls and Registers book.

Eric has paid a visit to the radio station. There has been no resolution to the broadcast issue as yet but hopefully that is in the works.
