LOOKING FORWARD

Please mark your calendars for our Ash Wednesday Service and Potato & Salad Bar on March 5th. More information to come!

Also, we are going to reinstate Lenten Luncheons on each Wednesday of Lent beginning March 12th and running through April 16th. Jeri and her wonderful team will be preparing the food and she is lining up some excellent speakers. We will have more information in the coming weeks!

SESSION STREAM

Session met on December 17th.

From Stewardship/Finance Freddie reported that they are working on 1099's for pulpit supply folks. Ellen agreed to chair that committee later in the meeting as S/F did not currently have a chair person. Ellen also has agreed to take on the role of church treasurer. So let us give many thanks and prayers for her as she assumes this important role!

Property/Personnel report from Freddie included a request from Jeri and her crew that we approve relocation of the water fountain in the fellowship hall and approval was given. That will happen at some point in the future.

Mission Outreach/Congregational Care report from Sharon and Terry—Tuesday devotional continues to be strong and the Blessing Box ministry is successful. The budget balance for Blessing Box is currently \$450.00 if anyone wants to contribute to this worthwhile ministry.

Worship report from Daveen included a thank you to all who helped decorate the church for the Christmas season. She continues her hard work at making sure the pulpit is filled each and every Sunday and other duties of which most of us are unaware, so many thanks to her!!

From PNC Betse reported that there is another pastoral candidate on our radar and a meeting with her is planned so please be in prayer that we will be successful in our
